

ANNUAL REPORT 2024-25

“A NEW BEGINNING IS FORGED FROM THE SHARDS OF THE PAST, NOT FROM THE ABANDONMENT OF THE PAST”.

The year 2024-25 was a year full of opportunities, challenges and many more things.

At the very outset, Congratulations to all stakeholders as our school has got affiliated with CBSE.

I joined Dheeraj International School in June with too much hope and aspirations.

1. **CBSE TRAININGS:** Trainings are a compulsory part for the continuous development of Teachers as per CBSE.
Keeping this in mind a 2 day training was conducted by CBSE on the topic GURUDAKSHATA which was a compulsory feature after affiliation. All the teachers were registered and attended the training
2. **Environment Education:** A very important aspect of education is Sustainable Development which has to be inculcated in the students' everyday.
A series of activities were undertaken:
Tree Plantation: A tree plantation drive was conducted to inculcate the value of caring the environment.
Eco club was formed: A CBSE initiative of forming the Eco club was undertaken. Students conducted various activities like Rakshbandhan for trees, adoption of trees , Ek Ped Maa Ke Naam , Rainy Day, Green Day etc were celebrated to sensitise students' about importance of environment and conservation of available resources.
3. **Sports Achievements: 'PARTICIPATION MATTERS, RESULTS DO NOT'**
Sports play a crucial role in overall wellbeing, offering physical, mental and social benefits. Our students' were enrolled in various ZP interschool competitions in various games. Though we did not achieve any milestones but our students' learnt a lot by participating. Hope to winning medals the next year.
4. **Innovations:** Teaching Learning is a continuous process. Many innovative methods were adopted by our teachers.
a) Students were taken to a nearby garden for their science and geography classes.
b) Nature walk was a method to inculcate sense of belongingness and conserving nature at its best.
c) Various trees and plants were shown and their benefits were explained to them, whether they were ornamental plants, flowering, fruit bearing etc.
5. **Results:** All children enrolled in all classes passed out with flying colours .
6. **PTA:** meetings are an integral part of any School. PTA meetings are conducted 4 times in a year for the smooth functioning of the school and important decisions are taken.

- a. For the next academic year there will be NO HIKE IN FEES.
- b. Students will be participating in ZP sports competitions.
- c. Class 6 and 9 students will be enrolled in SAFAL examination.

7.Activities: Co-curricular activities play an imp role. They give the students the needed exposure and confidence. Also, students' master in communication skills.

- a. Ganesh idol making
- b. Rakhi making
- c. Janmashtami celebration
- d. Diwali celebration
- e. Shiv Jayanti
- f. Science day
- g. Maharashtra day

7. **SMC Decisions:** SMC is an important organ of every school. 4 meetings were conducted during the year. Decisions taken were:

- a. Annual day, date and venue was fixed.
- b. Books vendor was finalized.
- c. It was resolved that there will be no increase in fees.
- d. The school will opt for Digital advertisements.
- e. **Intermediate drawing exams:** Students registered for Elementary and Intermediate drawing exam conducted by Maharashtra State Board of Art Education.
- f. **Olympiad Examinations:** Approximately 60 -65 students registered for Olympiad examinations. All parents were intimated time to time regarding exams and everyone successfully cleared their examinations.

8. **Annual Day Celebration:**

Annual day is a day when the whole school , stakeholders , management and all others come on a common stage , performances, costumes, decorations and what not.

The theme of Annual Day was 'LEGENDS OF INDIA'. It was a huge success. Performances were applauded by parents, lots of feedback and praises.

It was a very very good feeling for everyone , the memories of which are still etched within.

9. **Picnic and Excursion :** The most awaited event of the year is Picnic and Excursion. Students were taken to Nature's Valley, a picnic spot for one day. It was an awesome place, enjoyed by each and every child and teachers. This was an educational and relaxation place. Students were briefed about sugarcane field, tractor ride, adventure games were enjoyed.

Breakfast and Lunch was enjoyed by everyone.

This brings us to the end of the Academic Year 2024-25 with lots of sweet memories.

ENDINGS ARE THE START OF NEW BEGINNINGS and so we start our journey afresh.
